### Section 1: Product Identification

**Product Category:** SMOKER ARTICLES - REX BRAVO TUBES

**Product Codes:** CATUB/CATUB250

**Product Use:**

Insert tobacco inside the tube using a specific filler to avoid damaging the paper. To ensure even smoking, make sure the tobacco is evenly distributed within the tube and that there are no empty spaces.

**Product Description:**

Cigarette tubes are pre-formed cylindrical paper tubes designed to be filled with tobacco, transforming them into DIY cigarettes. They come with integrated filters for consumers who prefer using filters, which reduce the smoke's intensity. Made with durable, high-quality materials, these tubes offer a practical and quick alternative for creating personalized cigarettes.
